

INTERNSHIP OFFER

Copenhagen architecture studio **ARROW ARCHITECTS** is looking for talented **INTERNS** to join our office!

ARROW ARCHITECTS (www.arrowarchitects.com) is an expressive architecture studio, exporting international design with a Nordic ethos. With many new and exciting opportunities on the horizon, we are looking for motivated and skilled individuals to expand our global team.

Are you a **student** who is following architecture education at university / academic master level, has excellent design, presentation and communication skills, has extensive experience with Adobe Creative Cloud and AutoCad, experience with rendering images and is familiar with Rhino 3D, Sketchup and Revit plus **advanced level in spoken and written English**?

Then join **ARROW Architects** for an internship.

We offer:

- Paid internship in Copenhagen for 6 months (or more)
- Chance to work in an international environment
- A unique opportunity to experience Danish culture and philosophy of the company

Interested applicants should send their CV and portfolio (max. 10 MB) to: job@arrowarchitects.com.

Please use the email title: Intern Architect Application

We look forward to having you join our team!
